of Palo Alto**

1970 - 1971

## A COLLECT FOR CLUB WOMEN

Keep us, O Lord, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward, unafraid.

Grant that we may realize that it is the little things that create differences; that in the big things of life we are as one.

And may we strive to touch and to know the great, common, woman's heart of us all, and O Lord God, let us not forget to be kind!

—Mary Stewart.

## PLEDGE TO THE FLAG

*"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."*

## THE AMERICAN'S CREED

*I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed, a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.*

*I therefore believe it is my duty to my Country to love it; to support its Constitution; to obey its laws; to respect its flag, and to defend it against all enemies.*

*-William Tyler Page*

PRESIDENT'S MESSAGE

"Let us go forward together in harmony  
and take steps upward to the plateau of  
a greater tomorrow."

- OF AMERICA -

Many national banners wave over this world,  
A splendid array with bright colors unfurled;  
But one means more to us than all the rest,  
The flag of our country, the grandest and best!

Of America we are singing,  
our country, our homeland, our nation!  
Of America we are singing  
with loyal and true admiration.  
In fifty great states,  
from Key West up to Nome,  
We love the grand view, ---  
This is our land, our home!  
Of America we are singing,  
our beautiful country, our home!

Of America we are singing,  
from valley and mountain-top places;  
Of America we are singing,  
from grain field and palm desert spaces.  
For beauty and joy in the land that we love  
We thank the source of all blessings above.  
Of America we are singing,  
the beautiful land that we love!

WORDS AND MUSIC COPYRIGHT BY MARGUERITE FENNEY

## SEQUOIA

How long have hymns of seasons poured from throats  
That lift from prayer of branches, skyward thrust?  
How long has silent sun been shined with notes  
That sang man's age from stone to our named dust?  
Behold our ancestry old as this rise  
Of magnitude surrounded by frail ferns.  
Beneath its boughs, what shine of savage eyes;  
What ancient strength withstood these black scarred  
burns?

Pressing the hand on rose, on silvered bark,  
We realize that here time is not lost --  
Enclosed in circled wood are years of dark;  
Above its crest bird-centuries have crossed...  
And oh, beneath its height, how small are we  
Who claim the size of immortality.
